The Association of Northwest Steelheaders Broodstock Rodeo is a two-day fishing event for Association members and non-members alike. During the fish-along, participants will assist in collecting wild broodstock for progressive ODFW hatchery programs, raise funds to support the broodstock program, and, most importantly, have fun fishing in some of the Northwest's best fishing spots with fellow anglers. Sign up today by contacting the Association of Northwest Steelheaders office, 503-653-4176, for entry form. Register early—space is limited to the first 50 enrolled Anglers.
